Psychology Resources

Browsing the Shelves

The Dewey Decimal Classification number for psychology books is “150”. This is the “call number” on the spine of the book. The “call number” in the item record indicates its location on the Library’s shelves. Browse this area of the Library’s collection for titles on the subject of psychology.

Online Resources: Books

To search for books and other materials in the Edward G. Schumacher Library, go to <https://nc.edu/explore-nc/library> and search the “Oasis Online Catalog.” You may search by title, author, or subject. The “call number” in the item record indicates its location on the library shelves.

Your Student I.D. card serves as your library card. Ask any library staff member for help in locating materials. Books are checked out for a three-week period and may be renewed in person, by telephone or by email to library@nc.edu.

To search for books from other libraries, you may use the FirstSearch online catalog. Go to <https://newfirstsearch.oclc.org> and search by title, author, and subject. Please contact Library staff for the username and password to use (library@nc.edu). Please see Library staff to arrange for interlibrary loans. You will be notified by telephone when your books arrive.

Examples of keywords to use when searching for books or articles:

Personality	Introversion
Abnormal psychology	Agoraphobia
Anxiety disorders	Carl Jung
Behaviorism	Bipolar disorders
Panic disorders	Obsessive compulsive disorders
Depression	Hoarding
Cognitive therapy	Neuroses

“Advanced Search” in catalogs and databases allows combinations of subject terms.

Online Resources: Full-text articles

****Link directly to the EBSCOhost, ProQuest, and Issues & Controversies databases from the online catalog.**

EBSCOhost may also be accessed remotely at the following web address:

<https://search.ebscohost.com>

Please contact library staff for the ID and password to use (library@nc.edu).

Choose “EBSCOhost Web” and on the following page, choose databases: “CINAHL” and “Health Source: Nursing/Academic Edition”. Type in your subjects or keywords and click the “full-text” box to search for articles.

The ProQuest online database at <https://search.proquest.com> contains full-text articles from many psychology and health-related journals. For remote access please contact library staff for the ID and password to use (library@nc.edu).

Search Issues & Controversies at <https://icof.infobaselearning.com>. Please contact library staff for the ID and password to use (library@nc.edu).
