RETURNING STUDENT APPLICANTS

Students who are reentering Northwestern College after not attending two or more consecutive quarters, not including the summer quarter, are subject to the rules, regulations, and requirements of Northwestern College, and must once again complete an Application for Admission and speak to a returning student advisor. There is no application fee for returning students.

Students who were making satisfactory progress at the time of last enrollment will be readmitted without special procedure. Students who left the College on probation will be readmitted on probation and subject to all of the requirements of that status. Students who left the College on academic suspension must contact the Academic Standards Committee. Those who left the College on conduct suspension must contact the Student Conduct Officer.

INTERNATIONAL APPLICANTS

International students are those who legally reside in a country other than the United States.

Northwestern College requires the following credentials from each international student seeking admission:

1. A Form I-20, Certificate of Eligibility for Non-immigrant F-1 Student Status, is issued by the Office of the Registrar upon receipt of a signed Confirmation of Attendance form. United States Citizenship and Immigration Services (USCIS) regulations require foreign students on a student visa to carry a full course of study during each term of enrollment at Northwestern College in order to maintain F-1 Student Status while in the United States.
2. Complete and submit the Application for Admission along with a non-refundable \$100 fee.
3. Provide official academic transcripts of all secondary and post-secondary education. If the academic transcripts were earned in a country other than the U.S. and/or in a language other than English, the original transcripts must be submitted along with an English translation and evaluation of level of academic attainment. This evaluation must be performed by a member of the National Association of Credential Evaluators, such as World Education Services.
4. Submit official Test of English as a Foreign Language (TOEFL) scores of at least 500 on the paper-based exam, 173 on the computer-based exam, or a 79 on the internet-based exam. Northwestern College will accept scores for up to two years from the testing date. If TOEFL scores are not available, the placement assessment examination may be used for admission.
5. Take the placement assessment examination administered on-campus.
6. Applicants who are applying for an F-1 student visa must be in valid immigration status and submit evidence of financial support. This documentation must show that the student has necessary funds to cover the expenses for tuition, books, supplies, and any required fees for the entirety of the program.

Northwestern College seeks students who have the desire for a practical career education and the ability to achieve academic success.
