NEW RESOURCE FOR INFORMATION LITERACY

The Library has signed up for a free year of access to Ground News, a website with stories in the News that are ranked whether they are left, center, or right-biased. The college has 10 free licenses to use. The website is <https://ground.news/>

There should be no password needed, please contact Sarah if you are asked for one to use the site.

GALE EBOOKS IN LIBRARY CATALOG

To access these, after doing a quick search on the Mandarin M5 catalog on the [library website](#), type Gale in the search box on the next screen that comes up. Click the box next to Ebook in the Format section on the left side of the screen, and from there, click on the book link in the record. The password for these is NCStudents1. Please let Sarah know if you have any questions about these.
